Hi Sujay,

We are thrilled to inform you that your application has been accepted, and you are now a Google Student Ambassador at PES Institute of Technology in India - Well Done!

We are having 177 GSAs from 75 different cities across the country. The majors span across engineering, technology and management. The diversity is fantastic, and the strength of the community is unbounded. Each and every one of your efforts will add to a huge impact in the country - so let me also acknowledge you for the enormous potential you possess!

We are excited to see how creative, passionate, unique and Googley you are - this starts now! Start putting together some ideas for your first campus event - you will need them soon.

We need you to confirm that you accept the role and complete any missing information at <http://gsa.withgoogle.com> by 22nd August, 2014.

Before you start acting as a GSA on campus, you will receive a 4-day training in Pune from 28 - 31 August, 2014, and learn what it takes to be a Google Student Ambassador. Attending the training summit is a requirement.

Welcome on board as a GSA, Sujay Vittal!

Cheers,  
Deepak Sridhar  
Program Manager - Google Student Ambassador program  
Google India.
